REMARKS

This application has been reviewed in light of the *Ex Parte Quayle* Office Action mailed September 27, 2005. In such Office Action, Claims 1 and 8-11, the only pending claims, were objected to because of certain informalities. Aside from these objections, these claims have been indicated as containing allowable subject matter. By this Amendment, Applicants have addressed these objections and respectfully request the issuance of a Notice of Allowance. Because the changes to the claims made by this Amendment pertain solely to formal matters, the scope of the claims has not been narrowed in any way.

Respectfully submitted,
